MATTERS IN BRIEF .- Our ice-gatherers have had a riob harvest the past few days, and all the ice-houses in this vicinity are near about filled.

Gov. Holiday, of Virginia, paid s brief visit to Charlestown during the holidays. We return thanks for our better-haif, to Mr. J. C. Holmes, for a handsome holiday

We tender our acknowledgments to Mr. Juo. B. Haines for a Christmas Gift of a package of excellent Cigars.

The Week of Prayer will, as customary, be observed by the Churches in Charlestown. Sae programme in another column.

A pump has been placed in the new well on the corner of Liberty and West streets, and a plentiful supply of water is yielded

An invitation has been accepted by the Hon. W. H. Travers to deliver a Lecture for the Good Templars-time and subject to be bereafter announced. Claude, our first Junior, requests us to re-

turn thanks to our elever and enterprising young merchant friend, Mr. Nimrod Trussell, for a beautiful and useful holiday gift. Col. John T. Gibson has purchased of

Messrs. Mason and Trapnell, Trustees, two of the dwelling-houses erected by Mr. A. W. Hawks, on the Southern suburbs of Charlestown, paying \$900 for the two.

Charlie Barritt didn't exactly "take the bull by the horns," but he did the next thing to it yesterday-grabbed a wild cow by the horns, on Main street, and held her until the butchers could rope her. Five candidates for admission to the Free

Will (Colored) Baptist Church were immersad to Evitt's Run, near the Foundry of Weirick & Weller, on Sunday last-ice in abundance, and the thermometer bordering on Zero. Ugh!

The frame building of the McElroy heirs, on Main street, near the Presbytoran Church, and occupied by some of Mr. McKnight's employees, was partially destroyed by fire on the morning of the 24th u'timo. Loss, several hundred dollars-no insurance

The Holidays in Charlestown were passed with almost unusual quiet and good order, if we may except a diliently between three railroad bands, not citizens of the town. which occurred on Tuesday night last, in which one of the number-Campbell-was severely beston by the other two.

The track of the S. V. R R. was completed to the out-kirts of Shepherd-town on the first day of the New Year, and the arrival of the "Fairfax" at the old burg was the occasion of a large assemblage of all classes of

a hearty welcome to the railroad party. On Monday evening, December 28d, Alex ander R. Pendleton, E q , of the Winchester Bir, delivered his lecture on "The Philos opby of Work and of Leisure." He was intraduced by Mr. Charles Davies in a nest little speech. His lecture was listened to and evjoyed by a very large and attentive audience.

Bills have been circulated and posted calling for a meeting to-day, (Tuesday,) in the Supreme Court Room at the Court-House, to organize the new Jefferson County Build ing Association, No. 4 Let all who have subscribed or propose to take stock, attend and give their voices in the scleetion of a good Board of Directors and other officers.

A little daughter of Mr. Henry Shepherd came pear being run over by the S. V. It R cars at Shepherdstown, on New Year's Day. She fell upon the track and the car wheels were close upon her, when some one grabbed her from the jaws of death and prevented the occasion of the entrance of the new read into Shepherdstown being marked by a frightful accident.

Mr. Gustav Brown, with his scenstomed full-handed liberality, presented us with a magnificent Fruit Cake last week. As often as the Holidays come and go, with uncrring certainty, as surely do we become the recipent of a favor at the hands of this ciever confectioner. May prosperity ever east upon him her brightest rays, and happiness crown all his years.

The retirement of Logan Osburn, Jr., from the mercantile business at Kabletown, has been followed by his uncle, Robert Osburn, E-q., late of California, taking charge of the store and conducting the business in the interest of Logan Osburn, Sr., and himself .-Logan Osburn, Jr , has removed to the former residence of his father, and will devote himself to the farming interest.

As indicative of the severeness of the "cold snap" with which we have been visited during the past few days, we give some of the ranges of the thermometer in this latitude: December 23d, 16° above Zero: 24th, 12°; 25th, 10°; 26th, 4°; 27, 20°; and on the 3d of January, 5° below Zero. And it is not warm enough for the sun to roart an egg yet.

The "Swampoodlers" paraded through Charlestown on Christmas Day, to the immense delight of the young folks and pleas ure of all ages. " Mace Pendleton " strode his roule with all the " powp and circumstance" of a white washer, but the absence of the " pale-faced cannonier," with his heavy ordinance, robbed the occasion of much of its interest. "Brother Junathan" was conspicaous.

BEAUTIFUL FAMILY CORISTMAS TREES -One of the handsomest family Christmas Trees we have ever seen outside the larger cities, was provided at the residence of Mr. Geo. W. Thomas, of this place, during the recent holidays. The tree was decked with the most handsome and attractive pendants of varied forms, and around its base was presented a beautiful enclosed homestead in ministure -a mansion bouse, stabling, horses, esttle and sheep, mounds, rondway, gates, spring and stream, fountain with ducks upon it, eto -uil forming a most unique and charming scone for children and even older

eyes to feast upon. The children of Mr. Albert Diehl were also permitted to enjoy an uousually attractive Christmus Tree-of good size, and, as the Free Press describes it, "hung with an almost endless variety of figures cut in pasteboard, and covered with gold and silver and different colored paper. There were babies of all sizes and ages, in cradles and carriages and chairs; street cars filled with human figures in relief; vases of flowers, &c. Uader the tree was a perfect little house of pasteboard, colored red, with open windows, through which lights could be seen, and surrounded by a picket fence, with domestic animals scattered about the yard."

MR. JAMES W. WEST .- On Monday night of last week Mr. James W. West, Deput State Lecturer of the State of Illinois, de livered a Lecture on Temperance in Wash ington Hall. The hall was packed, a grea many being unable to obtain scats. Mr West was formerly known in our midst as wild, impulsive, devil may-care young man but always noted for his ready wit and humor He took Greely's advice, "went west," and returns to us an earnest and able advocate for the cause of Temperance. On Wednesda night he delivered his second lecture, o which occasion the Good Templers, marshaled SANTA CLAUS by Capt. D. H. Cockrill, turned out in their regalia, and proceded by the Mechanics' Silver Band, escorted the speaker to the hall. The audience was larger than on Monday night, and was very appreciative and en-. thusiastic. Mr. West uses the Murphy pledge, and obtained at his two lectures about one hundred and twenty five signers. He will lecture sgain on to-night, (Monday), and those wishing to obtain seats would do well to go early. We congratulate our Temperance friends on having such an able advocate from our own county, and with all good people we unite in saying "God speed the work."

CHURCH MATTERS .- The Sucrament of the Lord's Supper will be administered in the Presbyterian Church in this place on Sunday morning, January 19th - preparate ry services beginning on Friday 17th. Rev. Dr. McLiwaine, Missionary Secretary of the Southern Presbyterian Church, is expected to participate in the services on this occa-

The Fourth Quarterly Meeting for Charlestown Station, M E. Church South, was held on Saturday and Sunday, December 28th and 20th-with able sermons during its continuance, by Rev. Dr. Head, Presiding Elder. Services were held in the Methodist and Episcopal Churches on Christmas Day, the latter being handsomely trimmed with evergreens for the occasion.

The Rev. Mr. Lafever preached in the Presbyterian Church last Sunday, morning

I. O. O F. Officens .- The following officers of Wildey Lodge, No. 27, 1. O. O. F., of this place, were installed on Thursday night last: Abram Stump, N. G ; L. M. Blessing, V. G.; M. S. B Robertson, R. S.; E. J. Williams, P. S.; Thomas Johnson, Treasurer; W. H. Moore, Jr., Warden; Jno. P. Brown, Con ; Chas. G. Johnson, R. S. N. G.; Jno. W. Scharffer, L. S N. G.; S 5. Dalgarn, R. S. V. G.; B. F. Daoley, L. S V. G.; Nimrod Trussell, R. S. S.; R. B Lucas, L. S. S.; Adam Rowman, I. G.; C. L. Hilbert, O. G. J. W. W. Blessing, Sitting Past Grand.

Mr. F. P. Lynch, the tecently elected Circuit Clerk, is now in full charge of that position, having entered upon his duties on the 1st instant. His experience and fitness give him qualifications for a good officer, and we have every reason to believe he will prove a most acceptable one. The appointment of Deputy County Clerk has been conferred up on Gerard Moore - son of John Strother Moore. Esq -a clever young gentleman, and one adjudged eminently fitted for the position.

Hosts of People are Martyrs

To sick headache, that infallible symptom of a disordered stomach, liver and howels. Many suffer from it as many as three or four times a week .-They do so needlessly, for Hostetter's Stomach Bitters, by toning the digestive organs and regulating the bowels and liver, removes the cause. and dispels the painful symptom. The infimate sympathy between the brain and the abdominal egion causes the slightest disorder effecting the region causes the slightest disorder affecting the latter to be reflected, as it were, in the organ of thought. The reform instituted by the Bitters when the digostive, secretive and evacuative functions are in a state of class, has other and more beneficial results, viz., the complete nutrition of the whole physical economy, the restoration of appetite and repose, and an increase in the power of the system to resist diseases of a malarial type.

Now is the time to get bargains at Dalgarn's. He has just received a very large invoice of Glass and Queensware, at a much lower price than has ever been offered to the people of Charlestown and vicinity. Also, Boots and Shoes, Men and Boy's Wesr. Greenies and Notions in large variety. All goods in his line can be bought on the very shortest margin-his motto is quick sales and short profits. Call and examine stock and be convinced. Country Produce taken in Exchange for Goods.

REMEDY FOR HARD TIMES. Stop spending so much on fine clothes, rich food and style Buy good healthy food, cheaper and better clothing; get more real and substantial things of life every way, and especially step the foolish habit of running after expensive and quack doctors or using so much of the vice humburg meddoctors or using so much of the vie numbur medicing that does you only harm, sud makes the proprietors rich, but put your trust in the greatest of all simple, pure rouncides. Hap Bitters, that cures always at a trifling cost, and you will see better times and good health. Try it once, Read of it in reaches assume. another column

My physicians have always desired that I should take Cod, Liver Oil, and would prescribe first one preparation and then another, but, as before stated, "Camm's Emulsion" is the only preparation that my stomach 'could retain.—I have given it a thorough test, having taken it without any trouble, with the very best results, and can confidently say that it is all you claim for it, and can, with confidence, recommend it to any who need a remedy for pulmonary diseases, or any other diseases requiring a tonic or nutritive medicine.
